Group Ski/Snowboard Checkout Policy

1. To qualify, a group must consist of ten or more individuals.
2. A full roster of names and social security numbers of individuals renting equipment must be provided to NAC one week prior to the scheduled rental date. Our fax number is 967-3284. To better ensure that all information is complete, bring all paperwork to the Northwest Adventure Center.
3. Each person will pay for, pick up and be responsible for his own equipment.
4. A group rate does not indicated that specific equipment will be available. It secures a special equipment checkout rate for members of a group going on a particular outing. Equipment is available on a first-come, first-serve basis. No equipment will be set aside for customers.
5. The group rate is \$5 off the total equipment checkout rate.
6. Call 253-967-5415 for questions.

Note: Do not assume that NAC staff knows you are part of a group rental. Instead, please let the counter personnel know at the time of rental.
